

Ready for your clean.

A simple checklist for a smooth home-cleaning visit.

YOUR VISIT

Cleaning company: _____

Visit date and arrival window: _____

Questions or changes? Contact: _____

01 CONFIRM YOUR VISIT

Reply to your cleaning team to confirm your arrival window. If plans have changed, get in touch as soon as possible so you can agree on next steps.

02 MAKE ACCESS EASY

Arrange for someone to let the team in, or confirm the entry plan ahead of time. Share any door or alarm codes through your usual private channel.

03 GET YOUR HOME READY

Clear floors and accessible surfaces of personal items. Put valuables and fragile items in a safe place. You do not need to clean before your cleaner arrives.

04 TAKE CARE OF PETS

Let your team know about pets and settle them in a safe, separate space. Mention anything the team should know before entering.
